

Dear fellow EV driver,

You can use these cards to help our EV community get the most benefit from limited numbers of charging stations.

 <p>I Need A Charge!</p> <p>If possible, could you please plug me in when you complete your charge. You can call or text me at: _____</p>	 <p>I Need A Charge!</p> <p>If possible, could you please plug me in when you complete your charge. You can call or text me at: _____</p>

(Except for "I Need A Charge", cards should be placed in your car on driver's-side windshield.)

If you find these helpful, print a few, keep them in your car, use them, and give them to other EV drivers!
